## Rymont Const. Co. Lowest Bidder On New Fire Station

**Chicago Firm Asks \$26,733; Bids on Plumbing, Wiring Separate**

The Rymont Construction Corp., Chicago, was low bidder on the construction of the new fire station on its price of \$26,733.

The village board accepted the bid subject to approval by the village attorney.

Four bids were submitted with a range of \$4,267. They were Ed J. Kidera, Lake Villa, \$27,940; Egan and Cohen, Chicago, \$31,000; Paolo Salce Construction Co., Elmwood Park, Ill., \$28,613 and Rymont Construction Corp., by Henry B. Ryan, 228 LaSalle St., Chicago, \$26,733.

The Rymont Construction company not only underbid the other three firms but it agreed to do the plastering and painting which the nearest competitor did not include.

Bids for heating and plumbing are to be let separately and these may cost several thousand dollars more.

Trustees said that the \$20,000 bond issue recently voted added to \$10,000 cash already possessed by the village will cover the cost.

No time limit was specified for the completion of the building in the specifications. This probably will be worked out when the contract is let and the bond supplied.

Clarence Shultis, secretary of the fire department said he had received word that the new fire truck is being built and will be completed by February 15, or March 1.

## Sportsmen's Show at Coliseum Jan. 16-25 Has Crow Calling Meet

With crow shooting developing rapidly as a year 'round sport that offers the greatest challenge to the hunter and yet is the biggest aid both to conservation and the farmer, crow calling is becoming a popular skill. Bob Fox, Oak Park, chairman of the Illinois Federation of Sportsmen's Clubs crow committee declared today.

Fox is handling the championship contests of the Federation at the Sportsmen's and Vacation Show which the federation is sponsoring at the Coliseum, Chicago, Jan. 16 to 25th. "Crows are one of the greatest single predators we have," Fox said. "In spring they raid the newly sown grain fields and pull the corn sprouts. They do great damage to duck-breeding areas. In fact, Ducks Unlimited claim they kill more ducks than all American hunters. Game birds, pheasants and quail, even turkeys and chickens suffer."

"As an object for the hunter, the crow is claimed to be both the smartest and keenest eyed bird. Only his love of trouble, which sometimes finds flocks heckling poor old pussy-cat, gives the hunter a chance. It takes blinds, decoys and even calls to get them, plus a quick eye and a fast shot. It is real game shooting, day in and day out."

In addition to the crow calling contest, fisherman will vie for titles in bait casting under the direction of Jim O'Connor, Elmhurst.

An added attraction to the twice daily sports show featuring women's golfing champ Babe Didrikson Zaharias and archery champ Howard Hill, the Hollywood motion picture director, will be the presentation of the famous radio program "Queen For A Day." It will be broadcast direct from the Sports Show each afternoon from Monday, Jan. 19 to Friday, Jan. 23rd. There will be 4,000 free seats and 4,000 reserved seats. General admission is a dollar with reserved seats another 85 cents. Reservations can be made direct to the Coliseum or at The Fair store, Chicago.

## Schneider Completes Job Of Cleaning Ditch and Bill of \$1,395 Approved

Walter Schneider, Lake Villa Contractor, received approval by the village board of his bill for \$1,395 for the cleaning of 3,100 feet of ditch from the village sewage disposal plant.

Trustees who inspected the work, said it was well done.

The cleaning of the ditch was the preliminary to the improvement of the plant for which a contract has been let. Once the plant is completed, Antioch will have eliminated itself as a possibility for any pollution in nearby lakes.

## Antioch Rescue Squad Answers Two Calls

Mrs. Richard C. Ryan, 82, of 1548 Farwell Avenue, Chicago, was taken to St. Therese hospital by the Antioch Rescue Squad Saturday. Mrs. Ryan suffered a bad cut on her head when the car driven by her daughter, Miss Estelle Ryan, skidded and struck a telephone pole on Main street in Antioch Saturday.

The Rescue squad was called out again Saturday afternoon, when an air plane piloted by Kenneth Thomas, of Elgin, crashed into the Lake Marie cottage of Mrs. L. Einfeldt, of River Forest. No one was injured.

## Vacancies at Postoffice Filled Through List of Civil Service Candidates

Stanton M. Hazen, Arthur A. Polinski and Mabel Lou Dow were selected by Roy I. Kufalk, postmaster, to fill the vacancies at the postoffice. A Civil Service list was established from the examination held Oct. 18, 1947.

Robert G. Hirschmiller with a veterans preference headed the list with a grade of 92.2. Mabel Lou Dow had a grade of 84.2. Stanton M. Hazen graded 79.6 and also is a war veteran. Arthur A. Polinski had a grade of 70.8. All war veterans must be given first consideration. Also it has been a practice at this office to select the person with the top grade for the vacancy.

Robert G. Hirschmiller declined appointment at this time. Stanton M. Hazen as a war veteran and also an incumbent accepted as did Mabel Lou Dow and Arthur A. Polinski, who were the only other eligibles in the list. The list now has been exhausted. A subsequent examination was held some weeks later, two persons taking it. To date no word has been received from District Office at Chicago indicating as to whether these persons passed the test. In the near future two of the above named will be promoted to regular clerks. All three are now serving as classified substitute clerks. There are two vacancies in the regular clerkships.

Oliver R. Hughes, formerly a regular clerk has transferred to newly established Rural Route 3. An additional regular clerk position was authorized over a year ago. Daisy M. Richards a post office veteran of more than 20 years is the other regular clerk.

## Village Representatives Appear Before I.S.C.C. To Get Grade Crossing

**Want Road Across Soo Tracks to Get into Village Dumping Grounds**

Village representatives appeared before the Illinois State Commerce commission this morning in seeking a grade crossing of the Soo line near Ida ave., to get to the village dump. Those who planned to attend were President George Bartlett, Attorney George McGaughey, Trustees Walter Scott, Merrill Cunningham, F. D. Powles, Art Rosenfeldt and former trustee Elmer Rentner.

There was some opposition in the village itself to the opening of the road, but it was mainly by those who oppose a dump in the neighborhood and there was no evidence that this opposition would show at the hearing. Attorney McGaughey attempted to show that the village must have access to its property and that there is no other way by which it may gain it. It will have testimony to show also that it was given an understanding when the ground was bought that the railroad would permit a crossing where one existed a number of years ago.

## Farm and Home Advisers Attend Planning Meeting

Home Adviser Helen Volk and Farm Adviser Ray T. Nicholas will attend a district farm and home planning meeting at DeKalb tomorrow. Home Advisers will remain over for a meeting the following day.

The purpose of the meeting is to discuss the new farm and home planning booklets and how they may be used by farmers and homemakers to greatest advantage.

Open Branch of College The National College of Audiology of which Dr. Frank Keefe, optometrist is president; and Dr. W. A. Biron, chiropractor, is vice president, opened a branch for resident courses in Milwaukee Sunday.

## Full Steam Ahead

## Lions Club Party for Ladies Largely Attended

The annual Ladies Night party of the Lions club drew an attendance of 260 at Hank's place, Rte. 120 and 41 Monday evening.

The turkey dinner was served in cabaret style with strollers playing instrumental music during the serving of the meal.

Frank Payne, an excellent comedy mimic who served as master of ceremonies was easily the outstanding entertainer of the evening. The floor show consisted of a harmonica act, hoop juggling act, acrobats, vocalists and a xylophonist.

Dancing to the music of Ralph Sterling's orchestra followed.

New officers were installed in a brief ceremony and Edward C. Jacobs, local attorney, will head the club as its president during the coming year.

## Farm Bureau Meeting Set for February 21, First Night Session

The thirty-third annual meeting of the Lake County Farm Bureau will be held on Saturday evening, Feb. 21, according to E. E. Elsbury, President of the Lake County Farm Bureau. The meeting will be held in the Grayslake Grade school gymnasium.

This is the first time the Annual meeting of the Farm Bureau has been held in the evening. In view of this, a different type of program is being planned. Reports and talks will be condensed to make room for more entertainment features. A dance will be held following the annual meeting program.

## Lakeland Players Will Have Tryouts Tomorrow

Tryouts for the Lakeland Players production will be held at 8 p. m. tomorrow (Friday) in the rear of the Nelson real estate office building.

The play will be "The House Nobody Lived In" and it calls for a well balanced cast. Mrs. Arthur Meyer as director, is seeking experienced talent.

## Sequoits and Bronchos to Battle at Barrington In Final Round Tuesday

Out of average the one-point defeat Barrington handed them earlier in the season the Antioch High school basketball team will play the Bronchos on their home floor tomorrow night.

Barrington maintained its position at the head of the Northwest conference last week in defeating Grant by one point, 34 to 33, and according to the strength shown by the Sequoits against Grant, they should again hold their own against the Bronchos.

Barrington can't win all of the close ones is the theory on which Kruzan's Sequoits enter this game.

Northbrook left little doubt about its ability to handle the Sequoits as shown by the 40 to 30 defeat handed the Antioch boys here last Friday night. The home team started out well and led at one time 13 to 11, but in the third quarter the visitors executed some fast-breaking offensive plays that broke through the Antioch zone defense.

The Antioch lineup consisted of new men entirely, no veterans entering the game during the evening.

The Papposes suffered their second defeat of the year, losing to the Northbrook underclassmen 38 to 35. The visitors played inspired ball and kept about three points ahead of Payne's men throughout the game. It was a tough game for the youngsters to lose because they know they are really the better team.

## David M. Sindors Dies January 12

David Martin Sindors, 75, of Jasonville, Indiana, died Monday, Jan. 12, at 8 p. m., at the home of his daughter, Mrs. Ernest Hughbanks, Antioch township, following a lingering illness. He had made his home with his daughter for the past 3 weeks, previous to that had lived in Jasonville. He is survived by a son, Raymond of Jasonville, his daughter, three grandchildren and four brothers and two sisters.

Funeral services will be held Friday at 2 p. m., from the Strang Funeral home. Rev. E. William Strauser will officiate. Burial will be in Wilmet cemetery.

## Bowling Competition Keen Following Two Weeks Of Vacation

The pins were toppling in their usual volumes last week after two leagues ended a two weeks' vacation owing to holidays.

Louie and Ed's team in the Wednesday league and Snow White in the Men's Major league strengthened their holds on first place while others with the turn of the halfway mark passed were setting their sights for a lead in the home stretch.

## Thursday Men's League

After a two weeks vacation over the holidays the Thursday Business Men's league rolled into action again. Johnson's Resort won two games from Regal China with Carl Gibson's 561 series high on Johnson's and H. Tross high for Regal China with 536. Lee's Bar took two from the Dr. Hays squad, E. Petersen rolled a 585 series for Lee's and T. Thorness had 540 for Dr. Hays.

Carey Electric dropped two games to Stanley's Resort. B. Hahn of Carey's had 505 and E. Kanis had 558 for Stanley's with H. Kopell's 553 a close second.

Herron's Mink Ranch walloped Hairrell's Grocery all three games. L. Nelson was high on Herron's with 531 and H. Shank topped the losers with 521.

Friedle Construction won two from the Lions Club. Al Friedle had 540 and J. Russo of the Lions 531.

Salem took three games from Keulman's for forfeit. H. Grewe was high for Salem with 534 and J. Waldweller rolled 527.

## Ladies Major League

Joyce Huff's 527 series led the league this week as her team (Blums) dropped two games to Tiede's Ins. N. Tiede was high on Tiede's Ins. with 485.

Bussie's Lounge took all three games from Recreation. K. Keulman had 489 for Bussie's while A. Rogers 439 was tops for Recreation. Bussie's also rolled a 2318 series and an 832 game to top the league.

Blum's scored twice against Antioch Cafe to register their high series of the year 2203. L. Simonsen was high on Blum's with 466 and H. (Continued on page 4)

## Farm Record Books Sell Rapidly In Lake County

More than 200 Lake County Farmers are already using the new Illinois Farm Record Books, according to Ray T. Nicholas, Lake County Farm Adviser. So great was the demand for the record books the past two weeks, that some of the banks and implement dealers in Lake County sold their supply. However, all have been supplied with more books, and any farmers desiring them may secure copies now.

The new Illinois Farm Record Book may also be purchased directly from the Lake County Farm Bureau. "This is just the Record Book I need," is the comment farmers make when they turn the pages of the new farm account book.

The book is so well organized that when the end of the year comes, it is only a simple matter to analyze the year's business and fill out the Internal Revenue Income Tax forms.

## March of Dimes Campaign Starts; Kufalk Director

**Appeal Made for Contributions to Exceed Last Year's Total of \$573**

Antioch's March of Dimes campaign was scheduled to get under way today and Director Roy Kufalk is hoping that the receipts this year will exceed those of last year when the community raised \$573.19.

Managers of both Antioch theatres have agreed to cooperate again this year and the schools may also enter into the campaign according to Kufalk.

This community was more fortunate in escaping infantile paralysis this year than last year, figures from the county headquarters revealed. There wasn't a single case of polio in 1947 compared to nine cases in this area in 1946.

Expenditures on Antioch cases for 1946 amounted to \$1,493.12 and but \$210 in 1947. The expense in 1947 was for cases carried over from the year previous.

What the coming year will bring forth in the way of polio is not known but one severe case might call for an expenditure of every cent the community gave last year.

**An Insurance Policy** "It is almost an insurance policy for the man without means," said Joe Zorc, county secretary, in estimating the worth of the National Foundation for Infantile Paralysis.

John Nilson, son of Martin Nilson, of Libertyville, who had the dreaded bulbar type of polio which paralyzed his throat, recovered in four months through treatment given at Evanston hospital at the expense of the Lake County chapter's fund.

Lake county spent \$23,408.25 last year, which was about \$3,500 more than the year before. One case alone cost \$8,000. Because of increasing costs, the goal has been set this year at \$25,000.

Kufalk said that receptacles probably will be placed at certain parts of the village to hold silver contributions. He is hoping, however, that various social and religious organizations will contribute sizeable amounts to this worthy cause.

Ingleside which had no cases in 1946, had one case this year at a cost of \$158.05.

## Publishers of Weekly Newspapers in County Form New Association

Publishers of weekly newspapers in Lake county formed an association to provide concerted action in the interests of the newspaper business last Friday night in Libertyville.

Elected as temporary officers of the Lake County Publishers association were:

A. N. Solomon, publisher of the Round Lake Bulletin, president; and Charles H. Miller, editor of the Libertyville Independent Register, secretary-treasurer.

The new association will meet again within a couple of weeks to select permanent officers and consider adoption of by-laws now being drawn up by a by-laws committee consisting of V. E. Deckert, Pioneer Publishing Co., chairman, Howard Gaston of the Antioch News and Edward Wickman of the Grayslake Times.

Also appointed was a membership committee with A. H. Haggerty, Libertyville News, and George Elliott, Barrington Courier-Review, as members.

Other newsmen present at the association's organizational committee were Vernon G. Kolsch of the Lake Forester, John L. Udell of the Highland Park News, H. L. Ahlman of the Grayslake Times and Chris Horne of the Pioneer Publishing Co.

Publishers of the North Chicago Tribune and the newspapers of Wauconda and Zion indicated they will join the publishers' association, members said.

## County Fair Association Got \$824 Premium Money

The Lake County Fair association obtained assistance from the state department of agriculture in the sum of \$824 for premiums during the past year.

The amount was next to the smallest given out among the 82 beneficiary counties sharing in the total of \$540,968. The Champaign County fair at Urbana received \$13,170.

### A Worthy Cause

Again the MARCH OF DIMES is swinging along, and again Americans are being asked to give their dimes and dollars to help the fight on infantile paralysis.

This year it is the tenth birthday of the National Foundation for Infantile Paralysis that gives special emphasis to the annual campaign for funds to help polio patients and to wipe out this treacherous disease. The campaign, to be held January 15-30, also emphasizes the fact that for the last five years polio incidence in the United States has been the highest for any similar period in the nation's history. Approximately 80,000 Americans, mostly children, have been stricken with the disease in the last five years alone.

There has been no letup by the disease. There must be no letup in the fight against it. No one knows what lies ahead, or where and for how long polio may strike in years to come. Last summer drove home one sad but undeniable fact—that polio knows no bound-

aries. Our troops stationed in Europe and the Pacific were stricken, as were children and adults in Boise, Akron, Los Angeles and other centers of the 1947 outbreaks. For some areas, the 1947 epidemic was the first in years; for others, it was consecutive.

After ten years, the National Foundation for Infantile Paralysis has won the heart of every American by its championing of the cause of polio victims. Without considering age, creed, color or race, the National Foundation has earned the confidence of all by its help for patients afflicted by this widespread disease.

The National Foundation helps pay the bills that pile up for the families of infantile paralysis patients. It sees to it that the best available medical and hospital care is provided. And—so important in the long view—it is sponsoring extensive programs of research and technical education. Research is gradually narrowing the field in the hunt for the complete answers to infantile paralysis and it will be simply a matter of time before those answers are at hand.

Professional education assures a supply of pediatricians, nurses and physical therapists trained in the techniques that are peculiar to this disease.

All those activities are expensive—the cost, for example, of caring for patients of the 1946 epidemic, will total \$30,000,000, excluding this year's toll. Polio patients need YOUR dimes and dollars. YOU need the satisfaction of giving. So, let's give generously, and join the MARCH OF DIMES.

thly meeting Sunday "deodorized" 15 stinkers thus adding 15 more members to their group. Following initiation plans were formulated for a birthday banquet in March. The Cosmopolitan organization will be 1 year old at that time. It was decided that each member of the group would prepare a dish for this occasion and that the banquet would be in the nature of a smorgasbord. It was also decided that every member must contribute something in the form of entertainment for the evening. Elaine Geng won the play writing contest and was awarded the first prize of \$10.00.

During the year of 1948 there will terminate each month a contest, a prize of \$5.00 is to be awarded to each winner of such contests. The February contest is a photographic contest. Any Cosmopolitan is eligible to participate. The subjects of the photograph must not be posed. This is the only rule governing the kind of pictures that are to be submitted. The March contest is an essay contest, subject of which is "Why I am happy to be a Cosmopolitan." The winning essays are to be read at the annual banquet in March.

**Electronics for Eggs**  
Eggs are tested by electronics for internal quality and potential perishability under a new, patented invention, according to National Patent council. The egg is placed in a coil lying in an electromagnetic field of radio frequency; good eggs absorb the least power, bad eggs the most. The method, which is considered close to 100 per cent accurate, will mean a large saving over present system of candling eggs.

**Founder of the Army**  
William Booth, founder of the Salvation Army, preached 60,000 sermons in 60 years and traveled 175 million miles. Pioneering in the use of the automobile, he led a caravan of four of the earliest model Napier cars on a 62-day revival tour through England and Scotland, holding an average of three meetings each day. He was 74 years old at the time. He remained vigorously active until the day of his death, August 20, 1912, at the age of 83.

## LAKE VILLA

"The Rock that is higher than I," is the sermon topic chosen by Rev. Dixon for the worship service at the Community church next Sunday at 11 o'clock. You are welcome. Rev. Dixon was speaker at the Allendale boys' school at their service last Sunday.

Rev. Dixon has a class of young people in a preparatory membership class, including grade and high school students. The teenagers are invited by the Methodist Youth Fellowship group of the Northern District to attend a roller skating party at the Zion Skating rink next Sunday afternoon, and they will surely enjoy it.

The W. S. C. S. meeting at Mrs. Daube's last week was attended by more than 30 ladies, who enjoyed the pot luck dinner and also the illustrated talk by Mr. Andreas, representative of the Wall-fill insulation. The ladies will meet next week for the regular meeting.

Mrs. Dan Boyer was taken very ill very suddenly at her home last week Friday, but is much better.

R. L. Gunnarson, who underwent surgery on Christmas Day, has left Wesley hospital and is recuperating at the home of his sister in Chicago.

Mrs. Wm. Weber and Mrs. Earl Caldwell attended a shower in Evanston last Friday in honor of Miss Edith Caldwell, who left Wednesday this week for Boston where she will be married later in the week.

Mrs. Leo Barnstable, Mrs. Lloyd Barnstable, and Mrs. Joe Botts spent Sunday afternoon at Marengo, where Mrs. Botts was honored at a shower at the home of her sister-in-law there.

Mr. and Mrs. Charles Rothers and daughter, of Chicago, spent Saturday and Sunday with Mrs. Rothers' parents, Mr. and Mrs. Albert Kapple and visited Mrs. Rothers' sister, Mrs. Aileen Krook and her baby daughter at St. Therese hospital.

Mrs. C. W. Reinebach was a Chicago visitor last Thursday.

Mr. and Mrs. Joe Eberler, of Chicago, spent Saturday and Sunday with Mrs. Eberler's sister, Mrs. Reinebach, and family.

Miss Hyla Gawthorp, of Chicago, came Saturday and also spent Sunday with the Delbert Sherwood family.

The Parent Teacher association will hold its January meeting at the school on Monday evening, Jan. 19, and Mr. Schrum will show pictures after the business meeting. Hostesses for the evening are Mrs. L. Hamlin, Mrs. Slazes, Mrs. Marshall, Mrs. Cribb, Mrs. Dewar, Mrs. Waite, Mrs. Bauerle, Mrs. Welch and Mrs. Thompson.

Claudette Brownlee, daughter of

Mr. and Mrs. Harry Brownlee, who has been a patient at the Shriner's hospital in Chicago several months, came home last week to stay. She will be in a cast for some time and reports at the hospital periodically.

The roof of the Chas. Peterson garage was blown off during the storm on New Year's Day and carpenters put a new roof on the building last week.

Mrs. Edward Lindgren and two small children left Saturday to spend a few days with her sister, Mrs. Marguerite O'Connor and family at their home near Galesburg, Ill. Mr. Lindgren accompanied her to Chicago.

Mrs. Lulu Nelson entertained the ladies of the Sewing club at a lunch-

eon and a social afternoon at her home with Mr. and Mrs. Carl Ekdahl at Monaville.

Mrs. Edith Griffith, her daughter, Mrs. Mabel Holst, also Mrs. Bessie Grimes, all of Chicago, spent a few days last week with the Dan Boyer family and attended the W. S. C. S. meeting at Mrs. Daube's home on Wednesday afternoon.

The Cosmopolitans at their mon-

HOW TO SAVE HALF THE WINTER FUEL  
BILL TOLD BY UNIVERSITY

Rising coal and fuel oil prices give added point information released by the Small Homes Council at the University of Illinois telling about home insulation, which can save as much as one-half the winter fuel bill—one shovel of coal from every two.

Fifty per cent is the saving estimate for a typical two-story frame house with wood or shingle siding to which tight storm windows and doors, four inches of insulation between ceiling joist and three and five-eighths inches between wall studding is applied.

The facts about insulation and fuel saving, many resulting from years of careful research at the University, are presented in a free eight page non-technical circular. The high spot in it is a table showing reductions in a fuel bill possible in eight typical types of construction for one-story and two-story homes.

Benefits of insulation, the circular says, include greater comfort by making walls and window surfaces warmer, reducing drafts, and making heat more uniform; cooler houses in summer; and money saved by reducing fuel needs and requiring a smaller heating plant or less load on existing equipment. Also walls and ceilings are cleaner because dust and dirt do not gather on warm surfaces as they do on cold.

Good insulation will not attract insects and mice and will not form fire hazard, will not absorb moisture and get soggy and will not deteriorate or settle, the circular explains.

TELEPHONE CITY  
NOW BEING BUILT!

If all of Illinois Bell's new buildings were grouped together, they would resemble a fine, modern city like this.

33 brand-new telephone buildings and 47 new additions to existing central offices are under way or have been completed. They will help us bring you more and better service.

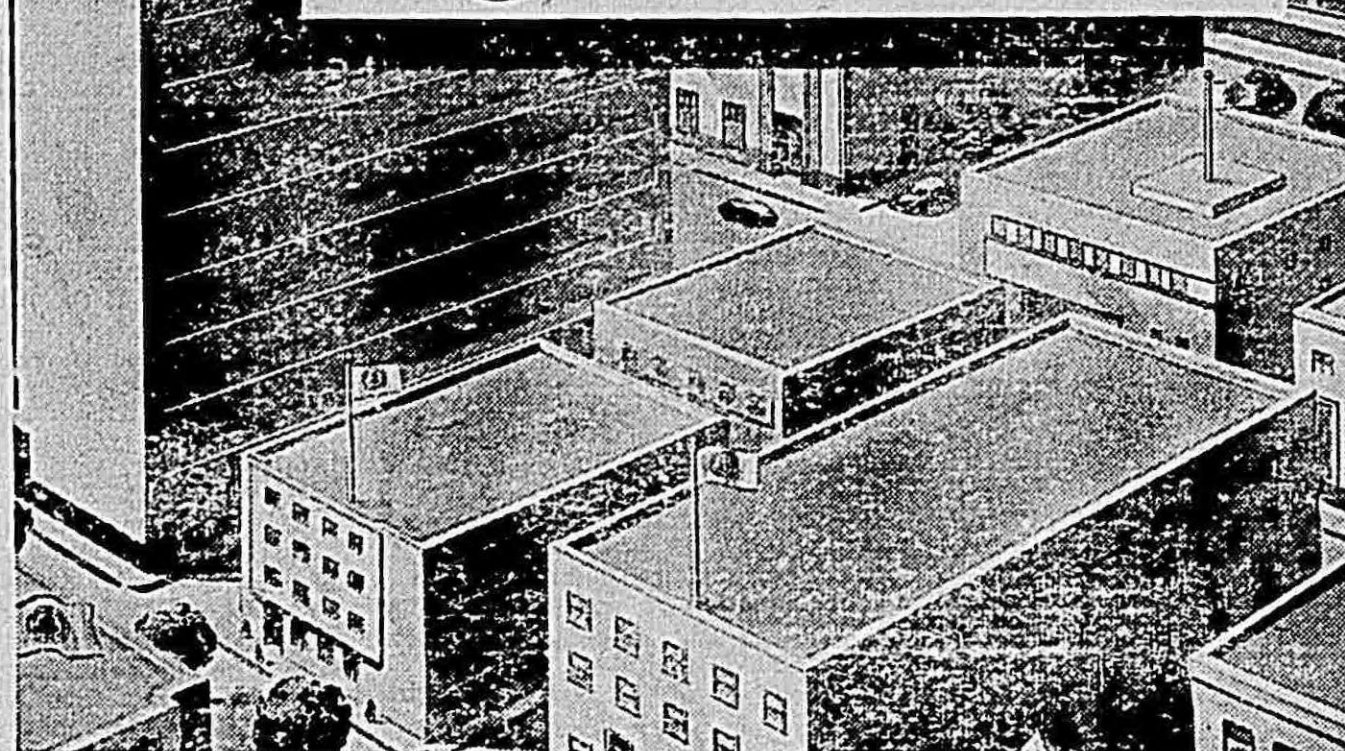

Each is designed to harmonize with the local surroundings. Each is an asset and a source of pride to the community in which it is located.

But, more than that, these buildings and others to come will house thousands of tons of new equipment and open up many new and better voice-ways for you. They offer lasting proof of Illinois Bell's determination to keep on improving and expanding your service.

ILLINOIS BELL TELEPHONE COMPANY

A \$250,000,000 improvement program is bringing better telephone service your way. This money is coming from investors who have faith in the future of the telephone business.

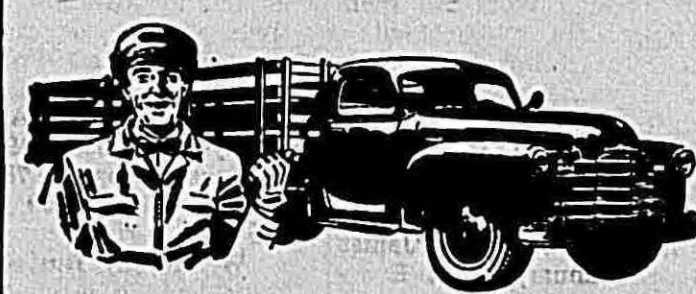

On a heavy-duty job,  
give me new Advance-Design  
**CHEVROLET TRUCKS**  
and here's a "load" of reasons why...

Only Advance-Design  
Trucks Have All These  
New and Finer Features:

- ★ Cab that "breathes"
- ★ Flexi-Mounted cab
- ★ Uniweld, all-steel construction
- ★ Larger, more durable, fully adjustable seat
- ★ 22% greater visibility
- ★ New, rear-corner windows
- ★ Stronger, new frames
- ★ Full-floating hypoid rear axles
- ★ Specialty designed hydraulic truck brakes
- ★ Valve-in-Head Thrift-Master or Load-Master engines
- ★ More efficient loading (stake and high-rack bodies)
- ★ New, thorough sealing insulation
- ★ Standard cab-to-axle-length dimensions permitting interchange of bodies
- ★ ... and MANY more!

Brother, how these stronger, new frames stand-up! Wheelbases are longer, too, for better load distribution. And the brakes are exclusively designed for greater brake-lining contact!

There's nothing like the cab that "breathes" for comfort... fresh air is drawn in from the outside—heated in cold weather—and used air is forced out.\* The cab is cushioned on rubber—Flexi-Mount—with 12 inches more foot room and eight inches more seating space. There's 22% greater visibility, too, they tell me. The seat is fully-adjustable. Man, this is it!

Here's a special, heavy-duty job and an extra-special truck! Take your pick from 107 different models and eight wheelbases. There's one made for your special kind of job.

Look—rear-corner windows! Now it's a dash to back up without jack-knifing. Yes, sir, these trucks are brand new—really different with Advance-Design. And they're packed with power in the world's most economical engine for its size—Chevrolet's Valve-in-Head engine.

\*Fresh air heating and ventilating system and rear corner windows optional at extra cost.

Come in and see these trucks—today! There's a Chevrolet Advance-Design truck to meet your specific needs and offer you TRANSPORTATION UNLIMITED!

# SOCIETY EVENTS

## Eastern Star Will Celebrate Its 49th Year January 22

Antioch Chapter No. 428, Order of Eastern Star will celebrate its forty-ninth anniversary Thursday, Jan. 22. The lodge has three charter members, Maud and Dora Sabin and Ira Simons, sisters and brother.

The meeting will be the occasion for the initiation of several new members. Mabel Solomon will preside as worthy matron and Walter Solomon as worthy patron. Refreshments will be served following the meeting.

## Delores Anabel DeWitt, Edward A. McNamara Engagement is Announced

Mrs. Clarence DeWitt of Round Lake Park announces the engagement of her daughter, Delores Annabel, to Mr. Edward Andrew McNamara of Route 2, Kenosha, Wis.

Miss DeWitt is the daughter of the late Capt. Clarence DeWitt, and is a graduate of Sacred Heart Academy, and attended La Crosse State Teachers college, LaCrosse, Wis.

Mr. McNamara is the son of the late Mr. and Mrs. Jerry M. McNamara and a graduate of Antioch High school, and he and his brother, Claude, now own and operate the McNamara Bros., farm, Kenosha, Wis.

No date has been set for the wedding.

## Joan Mary Norman, and Wesley Ward Reeves, Jr., Take Marriage Vows

Miss Joan Mary Norman and Wesley Ward Reeves, Jr., both of Antioch, took marriage vows at 4 p. m. Saturday, Jan. 10, in a service performed at the St. Ignatius Episcopal church by the Rev. E. William Strauser. The single ring ceremony was used.

The bride, daughter of Herbert Norman and Marie Vander Lester, of Chicago and Arlington Heights, was given in marriage by her father. She wore white satin with a finger-tip veil. The gown was fashioned with a train and bustle. Her flowers were gardenias.

Irene Morgel was maid of honor. She wore an ice blue chiffon skirt, velvet bodice, and carried a colonial bouquet of baby mums and roses.

The Misses Nancy Reeves and Suzanne Norman, bridesmaids, wore muted green, cinnamon brown and foil with bustles.

Special music included the "Lord's Prayer" and "O Promise Me."

Mr. Reeves, son of Mr. and Mrs. Wesley Reeves of Antioch, had as his best man, Harry Quilty. Tom Quilty and Louis Nielsen served as ushers.

The bridegroom is a graduate of the Antioch Township High school and his bride is a graduate of Far-regut High school, Chicago.

The reception was given at Shantytown, Trevor, Wis.

The couple will be at home to friends in Antioch Sunday.

## Former Antioch Woman Observes Anniversary In Surprise Gathering

The home of Mr. and Mrs. George J. Malek, Sr., 2426 Clarence Ave., Berwyn, Ill., was the scene of a lively family celebration Dec. 27 in honor of their silver wedding anniversary, with an open house on Dec. 28. The gatherings were arranged by their son-in-law and daughter, Lyle and Vivian Bethke of Vermillion, So. Dak., together with their son, George Jr., and his wife Marie.

Mrs. Malek was the former Anne Blanche Babor, of Antioch and Bristol township. The couple, both of whom were born in Chicago, were married Jan. 6, 1923, at the Blessed Agnes church, Chicago. They have been residents of Berwyn for the past twenty years.

The occasion, a complete surprise to both was arranged a bit in advance of the anniversary date as the Bethke's, who were here for the holidays and also celebrated their first anniversary, had to resume school classes at the University of S. D., immediately after their Christmas vacation. Christmas greens and silver decorations lent a holiday appearance to the occasion.

A mock wedding preceded the supper, during which the couple were recipients of beautiful gifts. The supper was followed by the enjoyable singing of old time favorite tunes. With them were their parents, Mrs. Mary Malek, past 76 and Mr. James Babor, past 80 also their little granddaughter Marie Antoinette Malek.

Mrs. Ida Osmond and Mrs. John Horan were co-hostesses to the members and friends of St. Ignatius Guild Wednesday afternoon at the Horan residence on Orchard street. Plans were made for the year's program and work.

**V. F. W. CARD PARTY**

Members of Sequoit post No. 4551 Veterans of Foreign Wars are sponsoring a public card party Monday, January 26 at the Guild Hall. Everyone invited to attend.

**REV. AND MRS. TUTTLE PARENTS OF SON**

Rev. and Mrs. G. Richard Tuttle are the parents of a baby son "James Richard," born January 6, at Evanston General hospital.

Mrs. Tuttle and her son are expected home this week. Rev. Tuttle is pastor of the Antioch Methodist church.

**WESLEY CIRCLE MEETING WELL ATTENDED**

Thirty-five members and friends attended the business meeting of the Wesley circles held at the church Wednesday afternoon. Mrs. George Good had charge of the meeting. This being the first meeting of the year pledges were presented and approved. Five new members were introduced by Mrs. Clara Westlake. Devotions were led by Mrs. M. C. Cain, Mrs. A. P. Bratrude, program chairman presented Historical pictures of Northern Illinois.

Refreshments were served by Mrs. Clara Westlake and her committee.

Miss Frances Zimmerman, daughter of Dr. and Mrs. L. John Zimmerman, is the guest of Miss Mary O'Farrell at the O'Farrell ranch in Rock Spring, Wyoming, for the month of January. Both Miss Zimmerman and Miss O'Farrell are graduates of the University hospital in Chicago.

## George B. Massey To Speak Before Woman's Club Here

George B. Massey of Chicago will speak on "Latin America" at the meeting of the Antioch Woman's club Monday at the home of Mrs. John Brogan.

It will be guest day and a number of guests are expected. Hostesses besides Mrs. Brogan are Mesdames Eugene Sheehan, A. L. Shenk, P. E. Chinn, Melvin Stillson and Frank Powles.

The district meeting of the club was held yesterday at the Woman's club in Wilmette. The North Town Woman's club was co-hostess.

## VAN CLEAVE SPEAKS ON BOY-GIRL FRIENDSHIPS

The Methodist Youth Fellowship meeting was held at the church Sunday evening with J. N. VanCleave of Waukegan as speaker. His subject was "Boy and Girl Friendships."

This was the second and last of a series. Betty Jean McDougall had charge of devotions and Mr. and Mrs. William C. Petty were guests.

**Indian Point Club To Meet**  
The Indian Point Woman's club will meet at the home of Miss Viola Marvel at 1 p. m. Thursday, Jan. 22. On Jan. 8 the club enjoyed their first Christmas party at the home of Mrs. Gertrude Flint. There was a delicious pot luck luncheon. Several games of pinocle were played.

## Bowling . . .

(Continued from page 1)

Segelke had 473 for Antioch Cafe.

**Men's Major League**

The Snow White team strengthened its lead in the Major League by capturing the series from Nielsen's. D. Bauer starred for the winners on games of 209-183-207-599. Strometz was high for the losers with 575, on games of 190-162 and 223.

Lee's Appliance came up with 2 wins over Bussie's. High for Lee's was Horeled, 535, and Bell rolled 506 for Bussie's.

Gus and Betty's took two from the Lumbermen, although Roman Vos of the losers had a 583 series. High for The Kids was Quendenfeld with 548.

**Antioch Tavern League**

Thor's Club Villa won three games from Sorenson's Tavern. G. Schmidt hit 513 for Club Villa. Ed Sorenson had 505 for Sorenson's.

Pikeville Tavern won two games from Hans and Mabel's. B. Bolton hit a 529 for Pikeville while Jack Koppen had 514 for Hans and Mabel's.

Ehrhardt's Resort took two games from Bud's Tavern. Tom Griffin had 200-181 and 192, a total of 573 for Ehrhardt's. Vic Bown shot a 519 for Bud's.

Thompson's Tavern took two games from Pagel's Tavern. Henry Grewe shot 572 for Thompson's. Al Pagels hit a 545 for Pagels.

Antioch Recreation won two games from John and Joe's Place. I. Elms being high for Recreation with 527. F. Fleider and Joe Mudloff were tied with 419 for John and Joe's.

Joe and Helen's won two games from Anderson's Tavern. George Bell hit 562 for Joe and Helen's. Elroy Anderson was high with 531.

**Women's Handicap League**

The close contest in the Women's Handicap League keeps interest and spirits high with the result that anything can happen. This week sees Pagel's in first place with 35 wins, 19 losses. Ehrhardt's in second, 34 wins and 20 losses. Club Villa and Antioch News tied for third place with 33 wins and 21 losses.

High games were rolled by Zella Larson, who had a 191 and Kaye Keulman with a 189. High series of the evening were Marge Anderson's 510 and Kaye Keulman's 490. High team games were Pagel's 785 and Bud's 770. Bud's had a 2260 series, Golden Glo a 2203 series.

**Wednesday Business Men**

Louie and Ed league leaders tightened their grip on first place by winning two out of three from the Weber Duck Pluckers with Don Bauer's classic 600 for L. & E. II. Jarvis rolled 533 for the Weber Duck Pluckers.

R&J Chevrolet Sales paced by Jeddle's 511 won two from the Golden Glo Dairy. G. Bell turned in a handsome 598 for the Dairy.

Miller's Insurance perked up some at the expense of the Lake Villa Electric winning three games due to the good work by Geo. Miller's 599 and Bill Cooper's 576. H. Gaston was high with 507 for the Electric.

Nelson's Grill bagged two from the Schneider Bros., Excavators with Burnett rolling 501 for the Grill and B. Schneider 480 for the Excavators.

American Legion improved its position by taking three games from the Peterson Food Mart. C. Cermak had 527 for the Post; while K. Blumenschein was high for the Mart. Lake County Sheet Metal Works won two from the Channel Lake Pavilion. C. Weber, Sr., was high for the works; while David was high for the Pavilion.

High team series, Miller's Insurance 2889. High individual series, Don

## Sheahan Makes Purchases At War Assets Sale Held At East Chicago Last Week

Joe Sheahan of Antioch, Ill., was among the 300 veterans of World War II attending a sale of 136 surplus used motor vehicles offered last week by War Assets Administration in a sale held at East Chicago, Indiana.

The sale offered veterans some 27 passenger sedans and other "set-aside" items, all of which were sold at fixed prices. In addition, many other items of automotive equipment, including various models of trucks and trailers, were sold at competitive bidding in which veterans and dealers bid on an equal basis. The sale netted the government a recovery of \$82,295.61.

Sheahan was high bidder for a 1938 Pontiac sedan which he got for \$311.00, and he placed the highest bid for a 1945 Freuhauf semi-trailer which he purchased for \$1508.

Veterans from all parts of Illinois, Indiana, Michigan, Wisconsin and Missouri were in attendance at the sale.

## Antioch Grade School Wins From Gavin Teams

The Antioch Grade school basketball team won from the Gavin school at Grant Community High school gymnasium last evening 22 to 15. The second team won a lopsided victory.

The first team game was exciting owing to the fact that the score was tied several times.

The game with Fox Lake for tonight was cancelled because of a conflicting event. The next game will be with Allendale Boys school here at 7 p. m. Tuesday.

Bauer 600. High individual game, Don Bauer 231.

**'Bud's Teams Compete**  
Bud's ladies and men's bowling teams rolled a match set Sunday afternoon at the Recreation lanes, the men winning. Kaye Keulman paced the losers with a 512 series and Ed Walters was high for the men with 538.

After the game the teams, wives and husbands were entertained at Our Country club with a duck dinner by their sponsor Bud Holtz.

**Card Of Thanks**  
I wish to thank my many friends and neighbors and all organizations for the phone calls, cards and remembrances I received when I suffered a broken arm.

Elsie L. Hays

### Mrs. Ella Oudes, 42, Passes Away Jan. 8

Mrs. Ella Oudes, 42, passed away January 8, at the West Suburban hospital in Berwyn, following a lingering illness.

Among the survivors are her husband, Frank, owner of the Red Arrow Inn at East Loon Lake, a daughter, Mrs. Shirley Slicka, of Cicero and one grandson, Arthur Michael Slicka.

The Oudes had made their home in Berwyn for the past twenty years and coming to Loon Lake for their summers, until two years ago when they moved to the lake.

Funeral services were held Saturday, January 10, at Berwyn. Burial was in Chapel Hill Gardens cemetery, Roosevelt and Butterfield Road, DuPage county.

### High School Students Take Semester Exams; New Term Starts Monday

High school students are in the midst of semester examinations.

The exams started this morning at 8:30 and ended at 12:30 covering four sessions of an hour each. The same schedule will be repeated tomorrow in other subjects. There are no afternoon classes for those who have no work to make up.

The second semester will start Monday, and those who didn't do so good during the first half of the year will have opportunity to make resolutions to do a little better.

### High School Graduates Urged to Apply Soon For Fall Nurse Training

High school graduates who are interested in a nursing career are urged to apply at a nursing school within the next thirty days. Spring classes are never as crowded as those starting in the fall, and consequently it is easier to gain admission before enrollments are closed. Nine nursing schools of this state are now admitting male students.

Illinois nursing schools are striving for 1000 admissions in the mid-year classes starting February and March. This is one-third of Illinois' 3000 recruitment quota for 1948, the remaining two-thirds coming in the fall. The national quota for 1948 is 50,000, largest peacetime recruitment program for student nurses ever undertaken.

Opportunities in the nursing profession have never been so plentiful, according to the Professional Counseling and Placement Service of the Illinois State Nurses' Association, which reports 100 different kinds of jobs for nurses serviced through their organization.

The demand for nurses keeps multiplying along with expansion plans for hospitals and community health programs. Illinois is making plans for the largest medical center of the world, which alone will open up many interesting new careers for future nurses.

A Directory of the Approved Schools of Nursing in Illinois and information on nursing may be secured free by writing the Illinois State Nurses' Association, 8 S. Michigan Ave., Chicago 3.

### Rep. Nick Keller Joins National Guernsey Club

Peterborough, N. H.—The American Guernsey Cattle Club announces the election of Mr. Nick Keller, Little Orchard Farm, Antioch, Ill., to membership. Mr. Keller has a herd of registered Guernseys on his farm.

The American Guernsey Cattle club is a national organization of more than 30,000 breeders of purebred Guernseys. It records the registrations of purebred Guernseys which trace to the Island of Guernsey, the original home of the breed, in the English Channel. It also supervises tests of production and through Golden Guernsey, Inc., supervises the marketing of Golden Guernsey Milk.

Salem Girl Wins Safety Honor  
Miss Arlene Lenz, Salem, is one of 30 4-H club members in Wisconsin invited to attend a recognition meeting for farm safety leadership in Milwaukee, Jan. 23 and 24.

Miss Lenz is junior leader of the Wheatland 4-H club and has been selected by the Farm Safety office to represent her group.

### Ira Stephens in Charge Of Montrose, Colo. Lanes

Ira G. Stephens who is spending the winter at Montrose, Colo., has joined Frank Hoffman in assuming temporary charge of the Bowling Center at Montrose until a new manager can be obtained to take the place of the man who resigned.

Writing to the News, Stephens said he intends to stay all winter and would stay there permanently had he not promised to work here during the summer. He says the weather there is fine.

### Income Tax Deadline Today

Today is an important date for farmers, business and professional people, investors, landlords and others. It is the deadline for filing and paying estimated income tax. Wage earners who had their tax withheld from their wages, will not make returns until March 15.

**Called in By Grand Jury**  
C. E. (Jim) Gaffey owner of Busie's tavern, James Hamm, former bartender at the tavern, and James Horan were Antioch men called to Waukegan to testify at the grand jury hearing on gambling. Gaffey, Horan and Hamm were called to testify on the operation of slot machines and a hand book in the tavern.

**Ice Rink Opened Wednesday**  
Although it was none too level or smooth the ice rink was opened yesterday at the Antioch Grade school grounds.

The place was flooded Tuesday and the youngsters were able to have a little fun. Difficulty was experienced this year when the freezing weather came before the ground was leveled. It had been scraped but a slant allowed the water to run off one end.

**On Drawing Threads**  
When drawing threads for hemstitching and fringing linens, a pair of ordinary tweezers is very convenient for picking up threads.

**Finish Is Important**  
Because of maple's wearing qualities, the matter of a suitable finish is too often neglected. Many finishes have been developed to beautify and protect floors under light conditions of service, and other finishes such as preservatives to protect floors against unusual and unfavorable conditions. These finishes have their place to keep maple in good appearance under severe traffic conditions and reduce cleaning and maintenance costs. When ordering finish for maple floors be sure that special types designed for this wood is used.

### New Type Textiles

Fine quality worsteds now can be produced at the speed of ordinary cotton by a new textile process. The new process permits mass production of the finest worsted fabrics at lower prices. The method also can be applied to cotton, silk, rayon, nylon, rabbit hair and all other fibers. Certain dyes which previously faded when exposed to atmospheric gas fumes are given better fastness by this new chemical process. Applied during the dyeing operation, it is claimed that its protective effect persists after repeated washings and dry cleanings.

### Ordinance

**AN ORDINANCE** establishing charges or rates for the use and service of the combined waterworks and sewerage system of the Village of Antioch, Lake County, Illinois.

WHEREAS the Village of Antioch, Lake County, Illinois, by proceedings had in manner and form provided by law, has been authorized to construct a combined municipal waterworks and sewerage system in and for said Village, and has provided for the operation of such combined waterworks and sewerage system as a single utility, all as provided by the laws of Illinois, including particularly Article 62 of the Revised Cities and Villages Act, effective January 1, 1942, as amended, and all laws thereunto enabling; and

WHEREAS pursuant to the terms of the laws hereinabove referred to and pursuant to the ordinances heretofore adopted by the President and Board of Trustees of this Village in reference to the construction and improvement of said combined municipal waterworks and sewerage system and in reference to the issuance of waterworks and sewerage revenue bonds for purposes of financing the construction and improvement of such combined waterworks and sewerage system, it is necessary that said Village charge the inhabitants of said Village for the use and the service supplied by said combined municipal waterworks and sewerage system, establish rates and charges therefor, and provide for the collection thereof;

NOW, THEREFORE, Be It Ordained by the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, as follows:

Section 1. That there is hereby established an executive department of this Village to be known and designated as the combined Waterworks and Sewerage Department of the Village of Antioch, and there shall be placed in charge of the general management and control thereof a Superintendent, who shall be appointed by the Village President, with the approval of this Board of Trustees expressed by ordinance, it being hereby determined and declared that the establishment of said Department and the appointment of a Superintendent thereof as aforesaid is necessary and expedient for the best interests of said Village. Said Superintendent shall qualify for office in the same manner as any elective official of said Village and shall post such bond in such amount as may be determined by the Village President. All necessary employees of said Department shall likewise be appointed by the Village President with the approval of the Board of Trustees expressed by ordinance.

Section 2. That there shall be and there is hereby established rates and charges for the use of and for the services supplied by the combined municipal waterworks and sewerage system of the Village of Antioch, Lake County, Illinois, based upon meter readings of the amount of water consumed, as follows:

#### I. WATER SERVICE

First 6,000 gal. per quarter or less .....\$2.00  
Over 6,000 gal. but less than 25,000 per quarter, \$0.28 per 1000  
Over 25,000 gal. but less than 50,000 per quarter, \$0.17 per 1000  
Over 50,000 gal. but less than 75,000 per quarter, \$0.15 per 1000  
Over 75,000 gal. but less than 100,000 per quarter, \$0.12 per 1000  
Over 100,000 gallon per quarter .....\$0.11 per 1000

II SEWER SERVICE:  
First 6,000 gal. per quarter, or less .....\$1.65  
Over 6,000 gal. but less than 15,000 per quarter, \$0.22 per 1000  
Over 15,000 gal. but less than 20,000 per quarter, \$0.10 per 1000  
Over 20,000 gal. but less than 25,000 per quarter \$0.16 per 1000  
Over 25,000 gal. per quarter \$0.10 per 1000.

III VILLAGE OF ANTIOCH AND ALL PUBLIC BUILDINGS  
A. Fire Hydrant Rentals  
B. Public Buildings

All water supplied shall be metered to the consumer and no sewer service shall be supplied unless the premises or property to be so served are connected with the system. Upon completion of the improvements to said system under the provisions of the ordinance adopted June 3, 1947, authorizing the issue of \$32,000 Waterworks and Sewerage Revenue Bonds, all new service connections shall be installed at the expense of the applicant; provided that the Village will install such connections upon written request of the applicant and accompanied by a deposit of Fifty Dollars (\$50), as herein provided. Such application for such installation shall describe the premises to be connected and shall state such other factual information as the Superintendent may require and shall expressly provide that applicant will pay all costs of installation over Fifty Dollars (\$50) within such time as the Superintendent shall require and that reimbursement to applicant will be promptly made of any funds owing him if such costs of installation are less than Fifty Dollars (\$50).

Section 3. The owner of the premises and the occupant thereof and the user of either water or sewerage service, or both water and sewerage service, shall be jointly and severally liable to pay for the service on said premises, and the service is furnished to the premises by the Village of Antioch only upon the condition that the owner of the premises, occupant and user of the service, are jointly and severally liable therefor to the Village of Antioch. Bills shall be rendered quarterly and shall be payable within twenty (20) days after the date thereof. If payment be made of the full amount of the bill within ten (10) days after the date of the original bill, then and only in such case a discount of ten per cent (10%) of the amount of the bill shall be allowed to the consumer.

Section 4. In the event said rates or charges for water and sewerage service, or either of them, are not paid within ninety (90) days after the rendition of the bill for such service, such charges shall be deemed and are hereby declared to be delinquent, and thereafter such delinquencies shall constitute liens upon the real estate for which such services are supplied, and the Village Clerk is hereby authorized and directed to file sworn statements showing such delinquencies in the office of the Recorder of Deeds of Lake County, Illinois, and the filing of such statements shall be deemed notice for the payment of such charges for such service.

Section 5. If the charges for water and sewerage service or either of them, are not paid within Ninety (90) days after the rendition of the bill for such service, such service shall be discontinued without further notice and shall not be reinstated until all past due bills are paid in full, together with payment made of Five Dollars (\$5.00) for reinstating such service.

Section 6. It is hereby made the duty of the Village Clerk of said Village to render bills for water and sewerage service, or either of them, and all other charges in connection

therewith and to collect all moneys due thereon.

Section 7. All revenues and moneys derived from the operation of the combined waterworks and sewerage system shall be held by the Village Clerk separate and apart from his private funds and separate and apart from all other funds of the Village, and all of said sums, without any deductions whatsoever, shall be delivered to the Village Treasurer not more than ten (10) days after the receipt of the same, or at such more frequent intervals as may from time to time be directed by the Council.

Section 8. The Village Treasurer shall receive all such revenues from the combined waterworks and sewerage system and all other funds and moneys incident to the operation of said system, as the same may be delivered to him, and deposit the same in a separate fund, designated as the "Waterworks and Sewerage Fund of the Village of Antioch," and said Treasurer shall administer said fund in every respect in the manner provided by Article 62 of the Revised Cities and Villages Act, and all other laws thereunto enabling.

Section 9. Said Village Treasurer shall establish a proper system of accounts and shall keep proper books, records and accounts, in which complete and correct entries shall be made of all transactions relative to the combined waterworks and sewerage system, and at regular annual intervals the Village shall cause to be made an audit by an independent auditing concern, of the books, to show the receipts and disbursements of the combined system.

Section 10. That a copy of this ordinance, properly certified by the Village Clerk, shall be filed in the office of the Recorder of Deeds of Lake County, Illinois, and shall be deemed notice to all owners of real estate of their liability for water and sewerage service supplied any occupant or user of such services on their properties.

Section 11. All ordinances and parts of ordinances in conflict herewith are hereby repealed in so far as the conflicting portions thereof are concerned.

Section 12. This ordinance shall be in full force and effect upon its passage and publication as provided by law.

Adopted Jan. 6, 1948.  
Ayes: Cunningham, Rosenfeldt, Scott, Dalgaard and Powles.  
Nays: None

Approved Jan. 6, 1948

## SALEM

Miss Olive Hope attended Eastern Star chapter in Racine Thursday evening.

Mrs. Arthur Bloss, Sr., spent the weekend with her daughter and husband, Mr. and Mrs. Harold McSweeney, of Delavan.

Sunday visitors of Mr. and Mrs. David Elfers were Mr. and Mrs. Herbert Hines, of Kenosha, and Mr. and Mrs. Earl Elfers and family, of Rock Lake. The Earl Elfers have just returned from a trip to California, where they visited relatives.

Mr. and Mrs. Lester Dix and Judith Ann, and Mrs. Natalie Stroupe were supper guests Sunday evening of Mr. and Mrs. Earl Thomas, of Harvard, Ill.

Miss Eleanor Heal, of Milwaukee, was a weekend guest of Mrs. Florence Richard.

Mr. and Mrs. Frank Wheeler have returned to Cleveland, Miss., after spending the past two weeks with their parents, Mr. and Mrs. E. H. Hartnell.

Mrs. Wm. Kruckman and grand-

daughter, of Burlington, spent Thursday afternoon with Mrs. Byron Patrick.

Mrs. Arthur Bloss, Sr., and Garry Patrick spent Wednesday afternoon with Mrs. Wm. Krautkramer, of Antioch.

Mrs. Byron Patrick entertained a group of ladies at her home Friday afternoon. Those present were Mrs. Charlotte Bloss, Mrs. David Elfers, Mrs. Louis Slamar, Mrs. Charles Peterson, Mrs. Natalie Stroupe, Mrs. Lester Dix, Mrs. Frank Schmidt, Mrs. Alfred Schmidt, Miss Olive Hope, Ju-

dith Ann Dix and Arlene Schmidt. The ladies spent the afternoon sewing, followed by lunch. The next meeting will be with Mrs. Charlotte Bloss.

Mrs. Frank Dix spent Tuesday in Kenosha.

Mr. and Mrs. Byron Patrick, Robert Patrick and son, Garry, spent Sunday afternoon with Mrs. Robert Patrick at Willowbrook.

Miss Grace Stephens, of Milwaukee,

spent the weekend with her parents, Mr. and Mrs. Fred Stephens. Miss Stephens is studying to be a nurse.

Mr. and Mrs. Herman Oetting and family, of Chicago, visited Mr. and Mrs. Arthur Bushing and family Saturday afternoon.

8-MM. Sound Projector  
An 8-mm. motion picture sound projector is now on the market.

**Radio Aids Weathermen**  
Radio waves may help weathermen with their forecasting. A new York inventor has been awarded a patent on a process using high frequency radio waves to determine what kind of air masses are overhead and roundabout. By studying signal strength, data is provided on relative humidity, temperature and pressure of intervening air masses.

**He Started Industry**  
The year 1813 marks the beginning of cranberry culture on Cape Cod. Henry Hall, East Dennis, Mass., noticed the largest and best wild cranberries on his land grew where sand had blown over them. Selecting promising vines from a meadow, Hall reset them near his home and sanded them as an experiment.

# Brand NEW for '48 FORD *Bonus Built* TRUCKS

*Built Stronger to Last Longer!*

*More Than 139 Models!*

*NEW All Through!*

**Bonus\* Built** — THE AMAZING RESULT OF AN ENGINEERING PRINCIPLE THAT ASSURES WIDER USE, LONGER LIFE . . . and ONLY Ford Trucks Have It!

EVERY single one of the great new Ford Trucks for '48 is **Bonus Built** . . . designed and built with extra strength in every vital part. But that's only part of this vital truck engineering principle . . .

This extra strength provides WORK RESERVES that pay off in two important ways:

● **FIRST**, these WORK RESERVES give Ford Trucks a greater range of use by permitting them to handle loads beyond the normal call of duty. Ford Trucks are not limited to doing one single, specific job!

● **SECOND**, those same WORK RESERVES permit Ford Trucks to relax on the job . . . to do their jobs easier, with less strain and less wear. Thus, Ford Trucks last longer because they work easier!

Yes, Ford Trucks are Bonus Built . . . built stronger to last longer! That's why there are more Ford Trucks in use today than any other make!

\*BONUS: "Something given in addition to what is usual or strictly due." . . . Webster's Dictionary.

**Only the New Ford Bonus Built Trucks  
Give You All These Big Advancements!**

**NEW! 3 NEW ENGINES . . .  
UP TO 145 H.P.!**

Brand new Six . . . 2 brand new V-8's! Packed with advancements that give you real economy, solid performance! Proved Ford reliability and thrift in every one!

**NEW! 2 NEW BIG JOBS . . .  
BIGGEST FORD TRUCKS EVER!**

Gross vehicle weight rating up to 21,500 pounds! 145 h.p. engine! 5-speed transmission! Tires up to 10.00-20. New, rugged; they're something!

**NEW! MILLION DOLLAR CAB . . .  
LIVING ROOM COMFORT!**

New coach-type seat. More headroom, legroom, elbowroom! Picture-window visibility. New, exclusive Level Action cab suspension that insulates cab from vibration and frame wear.

**NEW! NEW FRAMES, AXLES, BRAKES, STEERING!**  
Built stronger than ever before to give your Ford Trucks even longer life and wider use. These new Ford Trucks for '48 are really revolutionary line of trucks that Ford has ever built! See them, compare them with any other line of trucks made today!

**ONLY FORD TRUCKS ARE Bonus Built  
FOR WIDER USE, LONGER LIFE!**

**BUILT STRONGER TO LAST LONGER**

LIFE INSURANCE EXPERTS PROVE . . . FORD TRUCKS LAST UP TO 19.6% LONGER!

## MILLBURN

Rev. L. H. Messersmith has chosen "What Are We Looking For" as his sermon topic for Sunday, Jan. 18. There will be baptismal services for two babies at this service.

The Couple's Club will meet Friday evening at the home of Mr. and Mrs. Wm. Jones at Russell.

The annual meeting of the Millburn Cemetery association was held in E. A. Martin's store Monday afternoon. All officers were re-elected as follows: R. Guy Hughes, president; Gordon Bonner, secretary and treasurer; Carl Anderson, Ernest Wells and Will Bonner, directors.

The annual chicken dinner served by the January committee of the Ladies Aid Saturday afternoon was well attended. Over 90 people patronized the dinner.

Mr. and Mrs. John Edwards and family, of Libertyville, spent Sunday evening at the Frank Edwards home.

Harold Bonner returned to East Lansing, Mich., Sunday evening after ten days vacation with his parents.

Mr. and Mrs. W. M. Bonner.

Webb Edwards and his mother, Mrs. E. H. Edwards, spent Sunday afternoon with Mr. and Mrs. Romney Ashton in Evanston.

Mrs. Ora Davis, of Farnam, Neb., came Saturday for several months' visit with her daughter, Mrs. L. H. Messersmith.

Mr. and Mrs. Clifford Weber, Jr., of Grayslake, were dinner guests at the Frank Hauser home Sunday.

Mr. and Mrs. Orville Hairrell, Sr., spent several days in Marion, Ind., where they were called Tuesday morning by the serious illness of Mr. Hairrell's mother.

Mrs. W. M. Bonner and son, Har-

old, spent Wednesday afternoon at the home of their uncle, S. J. Hook, in Gurnee, who was celebrating his 92nd birthday anniversary.

Miss Marian Edwards, of Libertyville, was a supper guest at the Frank Edwards home Friday.

Mr. and Mrs. Gordon Bonner were dinner guests at the Russell Doolittle home in Antioch Sunday.

Mr. and Mrs. Elmer Hauser, of Lake Villa, Mr. and Mrs. Orville Hairrell, Jr., Bob Hairrell, Bob and Don Shank spent Sunday with relatives in Marion, Indiana.

Mr. and Mrs. Roy Bonner and family spent Sunday at the A. N. Truax home in Elkhorn, Wis.

Rev. Messersmith spent Monday in Chicago.

## HICKORY

Mr. and Mrs. Curtis Wells, daughter, Miss Shirley, and sons, Richard and Warren, were Sunday dinner guests of Mr. and Mrs. Russell Edwards in Waukegan.

George Handley, of Chicago, spent Saturday at the S. J. Handley home.

Mrs. Max Irving also Mrs. Thomas Harness and Mrs. Clifford Webber, Sr., of Millburn, attended an Eastern Star meeting and pot luck dinner held at Highland Park Sunday afternoon.

The G. A. Lange family and Robert Becker, of Hebron, spent Sunday at the Emmett King home.

Everett Wells has the mumps this week.

Mr. and Mrs. Curtis Wells and son, Richard, were Waukegan callers Tuesday afternoon. They also called

on Mr. and Mrs. Ed Gillings in Zion. Mrs. Harold Basinger and Mrs. Chris Ruchti and daughter, Patty, of Zion, spent Wednesday with Mr. and Mrs. William Gerber and family.

Mr. and Mrs. Fred Leable spent Sunday evening with relatives in Kenosha.

## Eels to Cure Rheumatism

In some areas eel skins, along with rabbit feet, buckeyes and copper bracelets, are believed to be of aid to rheumatism sufferers. So far science and the medical profession have not endorsed these methods of treatment.

## CATTLE AUCTION

## New power for your BUICK!

Today's Power, Today's Performance,  
Today's Zip—for Buicks  
up to Ten Years Old!

MAYBE this sounds too good to be true. But it's a fact!

Even if your Buick dates back as far as 1937, you can have a hoodful of factory-fresh Fireball power—a sleek new power plant that's the same as the engines going into the latest Buick cars.

Everything about it is brand-new. A new carburetor and air cleaner help make every drop of fuel give up all its power. A new distributor, complete with vacuum and centrifugal advance, puts new snap in your get-away and new pep in all driving. A whole new wiring harness prevents electrical loss. And tucked in the flywheel housing is a new smoothie of a clutch that'll make driving more fun than ever.

Yes, it's all new, with the latest Buick engine features you read about—like precision cylinder boring, Oil-Miser rings, Strato-flow cooling and so on.

You can get a new engine like this because engine production is not held back by the shortage of sheet steel which limits complete-car production.

So we're able to put one of these

honey's into your car and make it young again—give it new power and performance that will get you set for thousands and thousands more carefree miles.

How much does it cost? Not nearly what you'd expect—often less than a comprehensive overhaul. And it's a mighty good investment because it makes your car worth so much more when it comes time to turn it in.

Nice proposition, isn't it? Surely worth talking over. Won't you come in and let us give you all the details?

Dear Customer—  
Why You Need Gutters

Lack of gutters on your home will cause serious damage to your foundation and to the inside walls of your building—water falling from the roof will seep down around the foundations making the ground soft and allowing the building to settle. This will result in cracked basement walls, thus allowing the water to flood your basement, and more serious than this, will allow the walls to settle, resulting in cracking of the plaster, sticking doors, uneven floors and opening of the joints in the frame of your house, causing structural weakness. These conditions are progressive, gradually getting worse as the water continues to flood your basement.

Good metal gutters, properly installed, will halt this trouble if already present or will prevent its start.

Phone 113 for a free inspection and estimate on a complete job which will pay for itself many times over.

banking rooms of the bank. Other changes having taken place during the year included the transfer of \$10,000 to the surplus account, bringing the total capital account to \$80,000.

All officers and directors were re-elected, and two new members of the board of directors were elected, bringing the membership of the board to seven. The board had previously been composed of five members.

C. K. Anderson was again elected president, with Russell E. Barnstable vice president; Ed. J. Stelten, cashier,

and Jacque Koppen, asst. cashier. Members of the board number C. K. Anderson, Wm. E. Schroeder, Otto S. Klass, Russell E. Barnstable, William A. Rosing. New members of the board are Harry J. Krueger and Edmund F. Vos.

Officers of the bank reported that the past year had been a good one and expressed the opinion that the scope of service of the bank would be extended during the coming year.
